

Application No.: 10/613,977

2

Docket No.: 02309/000N001-US01

AMENDMENTS TO THE CLAIMS

The listing of claims provided below will replace all prior versions, and listings, of claims of this application.

Listing of Claims:

Claims 1 and 2 (canceled).

Claim 3 (previously presented): A container comprising:
a container body with a receptacle portion for receiving therein a content and
an opening at an upper edge thereof, and
a lid body engaged with said container body to close said opening, and at
least a pair of holes being formed in said container body or lid body;
for each pair of holes, a connecting member extending from one of said two
holes to the other of said two holes across said receptacle portion; and
two toy members being secured on respective ends of said connecting
member extending from respective two holes.

Claim 4 (previously presented): The container as set forth in claim 3,
wherein said holes are provided at a position above said receptacle portion.

Claims 5 and 6 (canceled).

Claim 7 (previously presented): A container comprising:
a container body with a receptacle portion for receiving therein a content and
an opening at an upper edge thereof;
a lid body engaged with said container body to close said opening;
a sliding member; and
